**Dear Dan, Isabelle & Claude & Monique,**

Thank you for your letter and thank you very much for your donation to buy cows for our rural poor family. We all are so much inspired to see you were doing different classes and at the end you could make a donation for needy people – you deserve Congratulation and Bravo, please keep it up.

We missed Dan and you all in Annual Children Festival but Monique & Rita covered it up so well and made a very nice participation on behalf of Luxemburg and over all Coworker in Luxemburg.

We wish you very Happy New Year and hope to see you soon in Kolkata.

Greetings from Barnali and Subarna.

Sincerely,

**Dr. Sujit**
